### House rules:

- To maintain the privacy of our hosts, no participant is to enter the house, barn or any structure on the land at any time.
- Fires will be kept in designated pits.
- Camping will be in the designated area.
- No pets, sorry.

Please complete and return this waiver of liability required by our insurance:

**Waiver of liability:** Leapfrog Programs has offered more than a dozen classes, workshops and skill-shares with no incident, and looks forward to the upcoming one as another opportunity for folks to learn in a hands on way. That said, we require that you complete this waiver of liability and return it by mail, with the documents below, before attending the workshop:

This gathering may involve the use of sharp or hot tools, fire, and exposure to elements. I understand the minimal though present risks involved with camping or working out of doors and, understanding that the gathering staff will organize activities with a focus on safety, release the Groundnut Gathering's and Leapfrog Programs organizers, staff, and volunteers, as well as the land owners, residents or guests from liability regarding injuries potentially suffered while there.

I, \_\_\_\_\_ (name of participant(s)), of \_\_\_\_\_  
(address), have read the above waiver and as stated, release the parties named from liability.
